

**Date:** 26-06-2017

**Subject:** Approval of UTZ Certified product labeling for request ID LAR-CO-54036

UTZ Certified confirms that the use of the UTZ Certified logo and/or name on the product packaging of the SKUs listed below, is in compliance with our Cocoa Labelling Pol. Jan. 2016 and therefore approved.

This approval has a validity of one year starting from 16-10-2017. For any new or updated pack design and/or a change in traceability program level, a new labeling approval request needs to be submitted.

Upon expiry of the approval either the manufacturer or the brand owner needs to indicate whether the SKUs are still on the market or not. This can be done by using the 'extend' or 'take off market' function in the Good inside Portal.
